Subject: Draft Recreational Facilities Inventory

Attached for your review and comment is a draft of the inventory of public and private recreational facilities in the Delta. The draft was prepared by the staff of the Commission. The emphasis is on facilities in the Primary Zone, with facilities in the Secondary Zone and outside the legal Delta which directly access the waters of the Delta.

The draft has been reviewed by the Recreational Study Oversight Subcommittee, Recreation Citizens Advisory Committee, City and County Planners, and City and County Recreation Managers.

A public hearing will be held on May 22, 1997, to allow the Commission to receive further comment on the inventory. Commission discussion will follow the public hearing.
